### REFLECTIONS

By

Retired Brigadier General William C. Jones, USAF

The Hanover Veterans Memorial represents the culmination of more than two years of planning, design, fund raising, publicity and construction of a permanent and significant tribute to citizens from Hanover County who sacrificed their lives in the service of our country. Other veterans, and some members still serving, are also honored with their names engraved in brick pavers leading to the brick and granite Wall of Honor. Eagles are perched, guarding each corner of the wall as symbols of the strength of our country. Flanking the brick walkway are benches, inscribed with some of the values that are demonstrated through honorable service:

*With this Memorial, we ensure (that) all brave sons and daughters of Hanover who have given so much will never, ever be forgotten in the place that raised them... We will always remember. We will never forget...*

**Congressman Eric I. Cantor**  
U.S. House of Representatives,  
7th District Virginia

***“Duty, Honor, Valor, Patriotism, Commitment and Courage”.*** The United States Flag permanently flies at its proper place in the center of the Memorial. Individual citizens, civic groups, veteran organizations, local contractors and other companies paid for and constructed the Memorial. Public funds were not requested or required to complete this beautiful and revered monument. An engraved granite block in front of the flag proclaims that, “WE HONOR ALL WHO HAVE SERVED.” It is my wish that all who visit here will reflect on the sacrifices of our veterans and their families and feel the presence of something greater than themselves.

*The Memorial means a lot to me... It means that the people of Hanover have a real sincere appreciation for those who have served... That makes me very proud. We oftentimes take our military people for granted, but today, this memorial gives people the opportunity to stop and say “Thank You” to those who have served...*

**John E. Gordon, Jr. (USA)**  
Hanover County Board of Supervisors  
South Anna District, 1996-2012  
Founding Member of the Hanover Veterans  
Memorial Committee

*The primary thing that this monument means to me and to a good number of people is that our loved ones who made the ultimate sacrifice will not have done so in vain and that they will never be forgotten... Hope to God, if we remember our past, we won't have to relive it.*

The Hanover County Veterans Memorial Committee was developed to design and implement the Memorial as well as to identify and honor all Hanover Veterans that were killed in hostile action or were prisoners of war or missing in action in the following military operations: World War I, World War II, Korea, Vietnam and Defending Freedom.

The Hanover Veterans Memorial Committee was appointed by the Board of Supervisors in 2005. The founding volunteer committee included: Retired Brigadier General William C. Jones, Chairman of the Committee, Mr. George N. Condyles IV, Vice-Chairman, Mrs. Lou Teal, Mr. John Clodfelter, Mr. L. Aubrey Stratton, Mr. Alfredo Salazar, Mr. Lewis S. Hester, Mr. John Gordon, Mr. Jack Ward and later members Mr. James C. Kelly, Jr., Mr. Vernon W. Cabe and Mr. Daniel Johnson.

The Committee unanimously recommended Hanover Wayside Park on Rt. 301 as the location of the future memorial. Hanover Wayside Park is on the National Register of Historic Places and its rural setting represents an ideal location for contemplating the ultimate sacrifice made by these fallen heroes.
